Description

This record is an index or image from a U.S. federal census. It may include the name, age, relationship to the head of household, and place of birth, as well as other information. Census records are used to locate individuals and families, provide evidence of their relationships, and establish their residence at a certain time. The number of these records vary by census year.

Before 1850, only the name of the head of household was listed, with other members of the household counted in broad categories. Beginning with 1850, censuses list all individuals by name, and later years include more detailed information. Census records are usually released to the public after 72 years. Some records, such as mortality schedules, are released after 100 years.

Dearest little niece and family.
my how glad I am that you are all well again and that Bill has work but bless their heart they are sure taking advantage of him aren't they its kinda unfair but maybe he will find a better one real soon and this will do until he finds better sure hate to see things getting in this condition seems like you are selling more and more of it. many we sure have been seeing a lot of depression in Rufus since his car accident he's not going to drive any more he says and im not going to push it we he was so scared and hasent really gotten over it yet so we are kinda glad as he might really get hurt or hurt some one else he doesnt have any confidence in him self or any one else - we just thank our good Lord he or the other person were not hurt oh well that's another Chapter Closed - we will waite for the next one. yes Chris Fern Lis and Erma have copies of this latest records Erma Sherley and Ted were down last sun for about 4 hrs oh did we enjoy that had been over 4 years since we had seen them they are so thrilled over all this news

about the family tree so are me and right now have Grandpa's picture in to have copies for every one you girls will be on the way by end of this mo. I can hardly wait can you? many a dont sleep real good some times and when I cant sleep I just think about the past. my mind came up with a thought about uncle Tom family I wish we had a way to get their record. I think mabe have written you this all ready but will again to be sure do you girls remember when every one went to Alvins laundry place for a big dinner Jot Ham his wife Son and daughter were there think he worked for Telephone Company heard later through John and Lena the son was a very wonderful man and believe he worked for Telephone Co. now many Bell and Terry's daughter Emma Jean this oldest child was a little older then Jean our Jean she was married had three boys a real nice happy family believe he drove large trucks and she died with cancer we believe about 15 or 20 years ago her boys are married have Children they lived in Utah some place last I heard many Bell used to go up and see them now Buck Evans her second ~~was~~ first marriage was I

Juliene in amarillo they moved to calif or was transfered to La mesa they had I think 2 boys and a girl the Lyrette Lives in Tujuncal N.M. she's a teacher She left him when they lived in La mesa many Bill said he got involved with some one else was the reason he divorced and married this woman she was a drunk many Bill said not a divorce and another marriage the girl he married to now many likes a lot they want many Bill to come live with them. or so she says. many is getting very forgetful it seems by her letters (now look who is talking) when you try to read this. many did I put Valerie and Tracy on our list Juliene Tracy will have a fit if I dident she's one of my special grand kids and her mom is too. but im sure mine is so messed up make you and willie can kinda put it in order for me honey I no you are so busy and yet you girls make time to write to us. we love you so dearly all of you. yes I believe what willie see wrote covered most of that letter and Fern got her copy. she sure did hand me out about loading it I was so sorry on my own I just read through it

one time my self. Rufus hadent read it either it must have gotten in with the junk mail we get every day and it goes right to the trash as it gets piled up on the little Table by our Chairs well I better close this write to millie- Fred ann many Bill and this friend Kate Jones in Clarendon who will be 93 years old in Feb I had all these Caught up first of year now look at me way behind. I dont scribble as much to all of them as do to you girls.

well so long love you lots

ROSE HILLS GUIDE

EAST PARK

Welcome to Rose Hills Memorial Park, America's most naturally beautiful memorial park.

With over 2,500 acres of property for current use or future development, Rose Hills Memorial Park is the largest cemetery in the world.

Although it is purposely secluded, Rose Hills is only minutes away from any point in the Greater Los Angeles or Orange County areas, and offers a full range of services to meet the memorialization needs of Southland families.

While you visit with us today, use this Park Guide to find the location of our many lawns, chapels, mausoleums and other points of interest - all found within one convenient place.

Be sure to note the guide's two versions - the East Park and the West Park.

The East Park section, Gates 1 through 6, highlights the park's most recent additions. In this area, you will find the fragrant Pageant of Roses Garden, plus the dramatic Memorial Chapel with its three towering spires, unusual curved roofline, and wall of faceted glass. Also located in the East Park is The Gardens, a 3.4 acre development, featuring a 200-foot-long black granite memorial wall and cascading waterfall.

The West Park section, Gates 8 through 20, details the original park development which was established in 1914. Rainbow Chapel and Hillside Chapel can be found in this area. Other points of interest include El Portal de la Paz, the 1930 Spanish-style mausoleum; the Eastern motif of the Japanese Garden; and the Arch of Freedom Memorial, dedicated to the veterans in 1976.

If you are unable to find a particular site or have questions, Rose Hills staff can be found just inside Gate 1 and Gate 17 to provide you with additional information.

Description

This database is an index to and digital image of the 1900 United States Federal Census. The 1900 census lists the name, address, relationship to head of household, race, gender, age, birthplace, marital status, number of years married, number of children born to the mother, number of children living to the mother, birthplace of father and mother, occupation, literacy, ownership of home, and whether a farm schedule was filled out for each person enumerated. The census was enumerated by Enumeration District (ED) and Sheet. Each ED is described on the first page of the census for that ED. The census taker usually listed households in the order he visited them. Some census takers, however, did not follow this practice.

Description:

The 1880 census is the tenth federal census in the United States. Enumeration districts (EDs) were established by local census officials, usually following city, township, or county boundaries. Each ED was assigned to a single enumerator, who was responsible for visiting every dwelling in the ED and recording the information about the residents. The 1880 census is the first census to record the relationship of each person to the head of household, the birthplace of each person's parents, and the occupation of each person.

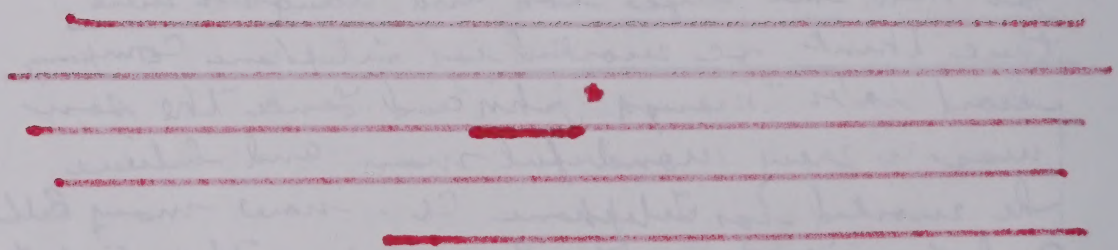
Dearest little niece and family.
my how glad I am that you are all well again and that Bill has work but bless their heart they are sure taking advantage of him arent they its kinda unfair but maybe he will find a better one real soon and this will do until he finds better sure hate to see things getting in this condition seems like you are selling more and more of it. many we sure have been seeing a lot of depression in Rufus since his car accident he's not going to drive any more he says and im not going to push it we he was so scared and hasent really gotten over it yet so we are kinda glad as he might really get hurt or hurt some one else he doesnt have any confidence in him self or any one else. we just thank our good Lord he or the other person were not hurt oh well that's another Chapter Closed. we will waite for the next one. yes Chris Fern Lis and Erma have copies of this latest records Erma Sherley and Ted were down last sun for about 4 hrs oh did we enjoy that had been over 4 years since we had seen them they are so thrilled over all this news

about the family tree so are me and right now have Grandpa's picture in to have copies for every one you girls will be on the way by end of this mo. I can hardly waite can you? many a dont sleep real good some times and when I cant sleep I just thank about the past. my mind came up with a thought about uncle Tom family I wish we had a way to get their record. I think maby have written you this all ready but will again to be sure do you girls remember when every one went to Almas Laundry place for a big dinner Sol Ham his wife Son and daughter were there I think we worked for Telephone Company heard later through John and Jene the son was a very wonderful man and believe he worked for Telephone Co. now many Bell and Jerry's daughter Emma Jean this oldest child was a little older then Jean our Jean she was married had three boys a real nice happy family believe he drove large trucks will she died with Cancer we believe about 15 or 20 years ago her boys are married have Children they lived in Utah some place last I heard many Bell used to go up and see them now Buck Evans her sons first marriage was I



Juline in amarillo they moved to Calf or was transfered to La mesa they had I think 2 boys and a girl the Lyrics Lives in Tupencaid N.M. she a teacher She left him when they lived in La mesa Mary Bell said he got involved with some one else was the reason he divorced and married this woman she was a drunk Mary Bell said well a divorce and another marriage the girl he married to now Mary likes a lot they want Mary Bell to come live with them or so she says Mary is getting very forgetful it seems by her letters (now look who is talking) Anyhow you try to read this. Mary did I put Valeil and Tracy on our list I Juline Tracy will have a fit if I didn't she's one of my Special 5th Grand kids and her mom is too. But im sure mine is so messed up make you and Willie Can Linda fit it in order for me Honey I no you are so busy and yet you girls make time to write to us. we love you so dearly all of you. Yes I believe what willie Lee wrote Covered most of that letter and Flern got her copy. she sure did hand me out about loading it I was so sorry on my own I just read through it

one time my self. Rufus hadent read it either it must have gotten in with the junk mail we get every day and it goes right to the trash as it gets piled up on the little table by our chairs well I better close this write to millie- Fred ann mary Bill and this friend Kate Jones in Clarendon who will be 93 years old in Feb I had all these caught up first of year now look at me way behind. I dont scribble as much to all of them as do to you girls.

well so long love you lots
Aunt Frieda uncle Rufus

ROSE HILLS GUIDE

EAST PARK

Welcome to Rose Hills Memorial Park, America's most naturally beautiful memorial park.

With over 2,500 acres of property for current use or future development, Rose Hills Memorial Park is the largest cemetery in the world.

Although it is purposely secluded, Rose Hills is only minutes away from any point in the Greater Los Angeles or Orange County areas, and offers a full range of services to meet the memorialization needs of Southland families.

While you visit with us today, use this Park Guide to find the location of our many lawns, chapels, mausoleums and other points of interest - all found within one convenient place.

Be sure to note the guide's two versions - the East Park and the West Park.

The East Park section, Gates 1 through 6, highlights the park's most recent additions. In this area, you will find the fragrant Pageant of Roses Garden, plus the dramatic Memorial Chapel with its three towering spires, unusual curved roofline, and wall of faceted glass. Also located in the East Park is The Gardens, a 3.4 acre development, featuring a 200-foot-long black granite memorial wall and cascading waterfall.

The West Park section, Gates 8 through 20, details the original park development which was established in 1914. Rainbow Chapel and Hillside Chapel can be found in this area. Other points of interest include El Portal de la Paz, the 1930 Spanish-style mausoleum; the Eastern motif of the Japanese Garden; and the Arch of Freedom Memorial, dedicated to the veterans in 1976.

If you are unable to find a particular site or have questions, Rose Hills staff can be found just inside Gate 1 and Gate 17 to provide you with additional information.

SUGGS CEMETERY SAT IN THE MIDDLE OF A COW PASTURE IN THE YEAR 1988. TO GET THERE TAKE FM 2247 NORTH OUT OF COMANCHE FOR 7.4 MILES, TURN RIGHT ON COUNTY ROAD FOR SEVEN TENTHS OF A MILE, TURN RIGHT OFF THE MAIN ROAD, ON SMALLER DIRT ROAD, AND GO FOR 1/2 MILE. CEMETERY ENCLOSED BY A NET WIRE FENCE. IT GETS SOME CARE. DON'T GO THERE IN THE RAIN, BECAUSE A CREEK WITHOUT A BRIDGE RUNS ACROSS THE ROAD BEFORE GETTING TO THE CEMETERY. YOU CAN NOT GET ACROSS THE CREEK AT THAT TIME.

ROSE HILLS GUIDE — EAST PARK

Welcome to Rose Hills Memorial Park, America's most naturally beautiful memorial park.

With over 2,500 acres of property for current use or future development, Rose Hills Memorial Park is the largest cemetery in the world.

Although it is purposely secluded, Rose Hills is only minutes away from any point in the Greater Los Angeles or Orange County areas, and offers a full range of services to meet the memorialization needs of Southland families.

While you visit with us today, use this Park Guide to find the location of our many lawns, chapels, mausoleums and other points of interest - all found within one convenient place.

Be sure to note the guide's two versions - the East Park and the West Park.

The East Park section, Gates 1 through 6, highlights the park's most recent additions. In this area, you will find the fragrant Pageant of Roses Garden, plus the dramatic Memorial Chapel with its three towering spires, unusual curved roofline, and wall of faceted glass. Also located in the East Park is The Gardens, a 3.4 acre development, featuring a 200-foot-long black granite memorial wall and cascading waterfall.

The West Park section, Gates 8 through 20, details the original park development which was established in 1914. Rainbow Chapel and Hillside Chapel can be found in this area. Other points of interest include El Portal de la Paz, the 1930 Spanish-style mausoleum; the Eastern motif of the Japanese Garden; and the Arch of Freedom Memorial, dedicated to the veterans in 1976.

If you are unable to find a particular site or have questions, Rose Hills staff can be found just inside Gate 1 and Gate 17 to provide you with additional information.

SUEZ RABBIT HUNT

TAKEN APPROXIMATELY 1912 OR 1913

The reason for the annual rabbit hunt was to kill off all the rabbits that kept eating all the crops each year. The hunt had been going on for years and years. Approximately 50 or 60 years. Sometimes the men used rifles to kill the rabbits, or they would use their dogs, (Greyhounds or Foxhounds.) This particular year was the best year ever. They killed 800 rabbits. Uncle Charlie Ham (bottom row, second from the left.) was son of William Alexander Ham and Margrett Emely Martin Ham. The River in the back ground is believed to be Sweetwater Creek, Comanche County, Texas.

SUEZ RABBIT HUNT
TAKEN APPROXIMATELY 1912 OR 1913

The reason for the annual Rabbit Hunt was to kill off all the rabbits that kept eating all the crops each year. The hunt had been going on for years and years. Approximately 50 or 60 years. Sometimes the men used rifles to kill the rabbits, or they would use their dogs, (Greyhounds or Foxhounds). This particular year was the best year ever. They killed 800 rabbits. Uncle Charlie Ham (bottom row, second from the left), was Willie Lee Hams Great Uncle. He was brother to her Grandfather George Dallas Ham. Jeff Bowling was the father to Ronald Bowling who married Alma Ham (George Dallas Hams oldest daughter). Sam Bowling, (Ronalds cousin), and Homer Randolph (who was a close friend to Charlie and George Ham), is in the photo also. The river in the back ground is believed to be Sweetwater Creek, Comanche County, Texas.

Mrs. W. D. Markham

Dear Madam:

I have just looked up my file on this matter of the Ham Interest in the John Gilbert League, abstract No 18, Sabine Co, Texas. and I find the Ham children as follows, as I havem them; viz

Mary Josephine (yourself) who married W. D. Markham
J. D. Ham, who lived a year or so ago, at Deleon Texas
W. A. Ham Jr. was at Brady Texas, the last time I had any information of him.
Joel H. Ham, who I was informed by Mr. J. D. Ham, that he did not know at that time where he was.
Martha Jane Ham who married Jesse Martin, both of them died and left one child surviving by name of Alvin Martin was my information. Did not know his address at that time.
Thos. F. Ham, married and lived at Stamford Texas
George D. Ham, and at the time I got this information lived so I was informed at Village Green Colorado.
Charles D. Ham, a single man at that time, and lived at Burkburnett Texas.

So it seems from my information of the family that there are 8 heirs, and the land that they are entitled to is an undivided interest in two little subdivisions of the John Gilbert League, aggregating about 12 Acres of land as I understand. I understand that there was eleven children in the Wm. A. Ham family but that three of them died in infancy, and I have no affidavits or proofs of the matters only from letters and from information from those who know you people, in other words I have no proof to put on record about it, and I would like to get an Affidavit from you, if you can give or make it, and if you can give to me the name of some one who can make affidavit of the facts, so I can place it of record, to show how many of the children there was, I notice that you state that you are the only daughter of Wm. A. Ham and the way I have it is that there was another girl, Martha Jane, who married Jesse, Martin and if he and her both died and left a boy (Alvin Martin) as my information is, then he of course would heir his mothers interest, I would also like to have all the addresses, of the whereabouts of all these people now, at this time if you know there whereabouts and addresses, I do not care anything about the two that I already have purchased, but what I mean the others, and if I cannot purchase the others little interest, I will sell to you what I have allready purchased if you want to buy it and take the risk of getting it all straightened out.

For all those land matters on the Gilbert League seem to be in somewhat of a muddle howeve if you had rather and will come over and look the matter up you will find it like I tell you, and I will be glad to help you in the way of showing you just what the records show in the matter.

I would like to have all the little Ham interest for I haven't enough to do anything with hardly without the other little interest to put with what I all ready have.

Thanking you in advance for your favors, and hoping to hear from you with reference to the little matter.

I am yours truly

signed L. E. King
